

*Bison Software introduces
fast, simple,
and integrated
credit card processing!*

**SIMPLIFY YOUR PAYMENT PROCESSING
TODAY WITH OUR INTEGRATED SOLUTION
FOR ANY OF OUR SOFTWARE!**

Bison Software has added an exciting new feature to its POS software! It can also be added to any of our custom business solutions. This new integrated feature allows you to enter credit card payments directly through your Bison Software, and you will no longer need to purchase or lease costly credit card terminals. The steps to process a credit card payment are drastically reduced, allowing your employees to work more efficiently and effectively. Using the Bison Software / X-Charge integration, you will reduce your costs of accepting electronic payments, reduce counter clutter and present a more professional image. *Integrated credit card processing is fast and easy to use!*

BENEFITS & ADVANTAGES:

- Transaction authorization in seconds
- Superior support included – a unique single source solution
- Easy for staff to learn and use
- Eliminates double entry
- Reduces human errors
- Saves times
- Enhances professional image
- Supports all major credit cards, U.S. and Canadian debit
- Competitive rates, no application or setup fees
- Visa CISP Validated Payment Application

**A Time-Saving
Resource for
Bison Software
Users**
