Re: Bison Customized Software

Dear Sir or Madam;

We purchased Point of Sale and accounting software from Michael and Robert Zacharias in the summer of 1999. The product has more than met our expectations. We have been totally satisfied with the support of the software and the service provided by the company.

I have absolutely no hesitation in recommending the company to you. If you have any questions, please contact me at 488-4480.

Yours truly,

Roy Warman F.P.C.M
